

Dr. Ayo David Adeyemi, MBA

Executive Director, PIPO Global — Social Impact Strategist & Applied Researcher

01 ABOUT

Nigerian social impact strategist and business executive based in Ellesmere Port, England. Work is oriented around a defined set of UN Sustainable Development Goals: good and inclusive healthcare (SDG 3), climate change awareness (SDG 13), and decent work, economic growth, and the emancipation of women, youth, older adults, and marginalised groups (SDGs 4 & 8).

Through commercial and humanitarian enterprises, his work has opened decent employment for hundreds of young people, alongside mentoring on leadership, social entrepreneurship, and business development.

06 RESEARCH

Effect of Internal Control Systems on Fraud Prevention in Nigerian Deposit Money Banks

Journal of Global Economics Management and Business Research — July 2026 · COSO Integrated Framework · 14 Nigerian deposit money banks, 2019–2024 · University of Chester · co-authored with scholars from Nigeria & Cyprus.

Finds that continuous operational monitoring and transaction-level controls are significant deterrents to fraud, and that high-level risk assessment alone does not curb fraud without operational follow-through.
